Join us to celebrate the 50th Anniversary of Medi-Cal

Medi-Cal covers more than 13 million Californians – making it the largest program of its kind in the nation. Health Access, Local Health Plans of California, and the Department of Health Care Services are pleased to present statewide community events to celebrate 50 years of Medi-Cal, the positive impact it has had on so many lives, and to honor the many communities and stakeholders that have contributed to its success.
