IEHP: Riverside County WPC Crosswalk

Takashi Wada, MD, MPH
VP, Population Health
Elise Pomerance, MD, MPH
Senior Medical Director

2

Objectives

- Share approach to cross walking Whole Person Care (WPC) roles to ECM & ILOS
 - Share approach to cross walking WPC Members to ECM & ILOS
 - Share planning for WPC components that do not crosswalk to ECM or ILOS and identify other approaches to sustainability
-

3

Riverside County

- Riverside County's WPC program focused on justice involved population
 - Riverside University Health System is an IEHP-contracted Health Home Program/Community-Based Care Management Entity with 12 HHP Care Teams
-

4

Identification of RUHS ECM Eligible Population

- IEHP identified ECM eligible population for phase 1 target populations that go live 1/1/2022.
 - High Utilizers
 - Homeless
 - SMI/SUD
 - (Justice involved)
- Underestimate
 - Awaiting Riverside DBH data
 - Awaiting WPC enrolled Member data (may be overlap with both HHP and ECM eligible)
 - Consideration for non-IEHP WPC patients

5

ECM Eligible Data

Health Care Org	HHP Eligible & ECM Eligible	HHP Enrolled & ECM Eligible	ECM Addition	Grand Total
RUHS	2844	794	4532	8170
Riverside DBH	?	?	?	?

6

WPC Role Mapping

- WPC Roles
 - RN Care Manager
 - Maps to ECM
 - Staff additional ECM Care Teams as justified by the increased eligibility numbers for ECM
 - Outreach Housing Specialist
 - Map to ILOS Housing Navigation services
 - RN Screener
 - Potentially maps to ILOS, but may not be supported by ILOS rates
 - Consider replacing with different staffing level and moving RNs to staff DBH ECM Care Teams
 - Or consider alternative funding streams (e.g. MHSA etc).
-

7

WPC Patient Mapping

- Grandfathering
 - WPC IEHP Members will grandfather to ECM on 1/1/22.
 - WPC non-IEHP Members will NOT grandfather to IEHP.
 - WPC IEHP Members distributed to current RUHS HHP Care Team footprint
 - Develop bidirectional workflows for ECM Members to be referred for Housing Navigation to WPC/ILOS Outreach Housing Specialists (OHS) AND referred from OHS to ECM Care Teams
-

8

Next Steps

- Awaiting final target population guidance
 - Awaiting ECM and ILOS Rates
 - Collaboration with RUHS DBH
 - Explore other funding streams to support WPC activities that would not be funded through ECM/ILOS
-
