

## Public Health Care System and Local Health Plan Collaboration: Shared Vision and Governance

June 4, 2024 | 10:00 a.m. – 12:00 p.m.

Zoom

### A G E N D A

#### Meeting Objectives

Participants will...

- ✓ Learn from plan and public health care system partners that have established a governance structure for identifying and working together toward shared goals.
- ✓ Assess their organization's progress in developing strong local partnerships, including opportunities for growth.
- ✓ Build connections with plan and system leaders across California.

#### 10:00 **Welcome and Level-Setting**

*Amanda Clarke, Senior Director of Programs, Safety Net Institute (SNI)*

*Amber McEwen, Executive Director, LHPC Institute*

#### 10:05 **Self-Assessment Activity: System-Plan Partnerships**

*Bradley Gilbert, MD, Consultant and former CEO of Inland Empire Health Plan*

Participants will assess their organization's progress in supporting collaboration with public health care system or local health plan partners and will discuss results across three domains — executive buy-in, data exchange and joint quality efforts.

#### 10:30 **Member Presentations**

*Tiffany Cheang, Chief Analytics Officer, Alameda Alliance for Health*

*Tangerine Brigham, Chief Administration Officer, Alameda Health System*

*Luarnie Bermudo, Director of Provider Services, Health Plan of San Mateo*

*Jennifer Papa, Director of Financial Strategy and Planning, San Mateo Medical Center*

Local health plan and public health care system partners will highlight examples of successful shared decision making and joint quality improvement efforts, and share lessons learned.

#### 11:15 **Stretch Break**

#### 11:20 **Breakout Group Discussion**

Participants will join breakout groups with other plan and system leaders to discuss what's working well and opportunities to strengthen local partnerships.

#### 11:45 **Large Group Share-Out**

Participants will reconvene to share key takeaways from the breakout discussions and identify concrete next steps.

#### 11:55 **Wrap-Up and Adjourn**
